

THE PRESTON PAPER

Welcome back

BY HESALI

Welcome back, well, didn't the last term fly by? We hope you had a great holiday. This mini newspaper edition includes a sporting round-up, charities and even has some fun-facts for you. Don't worry, we plan to tell you about events (including Downing Street) from last time and what is coming up for the rest of the year in the next edition...so keep a look out for that!

HELLO SUMMER

BY MAISIE AND HESALI

In spring and summer time lots of amazing animals and plants come out. Some of them have been a little later this year due to the amount of rain and cold weather.

Did you know that different types of species come out of hibernation such as: daisies, hedgehogs, squirrels, badgers and more fascinating animals and plants! Dormant plants begin to grow, new seedlings come out of the ground and hibernating animals come out of sleeping. Why not go out for a walk and see whether you can spot some of the plants and animals coming out from hibernation? Maybe you could enjoy a walk through the bluebells, see the dancing tulips or the fragrant roses.

CHARITY AND FUNDRAISING

BY MILAN

Dare to be different was a fun and light-hearted event that encourages people to embrace individuality and celebrate differences. On this day, children were encouraged to wear whatever made them feel comfortable. At school, we saw children with different hair styles, clothing and accessories and it was lovely to see everyone's personality through what they wore. In addition, children bought in some donations for the Friends of Preston Hedges fundraising. This is not the only fundraising we have done at school, so far we have sported red noses as part of Red Nose Day and coming up we have Race for Life. Thank you everyone for supporting these events, it makes a real different.

FASCINATING FACTS

BY ASARA AND MCKAYLA

- Did you know that there are 7 times more sheep than people in New Zealand?
- Did you know that there are some really crazy world records out there? Including flag pole sitting.
- A woman even set a world record by stacking 73 frozen waffles in her hand! Whoever thought of this obviously likes waffles!
- Did you know a one-year old reindeer can outrun you – and this is even before they fly?!

SPORTING ROUND-UP

BY The Preston Paper Team

Over the last month, we have had several tournaments including: hockey, multi-skills, tag rugby and a swimming gala.

It has been amazing to see several trophies being brought back for all of them! What a great achievement.

Aside from Trust competitions, Year 3 and 4 girls went to Northampton High School for a Sports Festival, which they all really enjoyed.

This term, we look forward to other sports events which include: Mini Wimbledon, sports days and the MAT Olympics.

There are plenty of opportunities to get involved in sports at school, but did you know that there is also much going on outside of school too? What with the 2024 Olympics, the Euros, the Pro hockey league and athletics.
