

20th March 2025

Dear Parents and Carers,

Notice of School Catering Service and Important Update on Dietary Requirements

We are excited to announce that our school will be transitioning to a new catering provider, Caterlink, effective from 22nd April. This change follows a thorough tender process aimed at enhancing the quality, variety, and nutritional value of meals provided to our students.

Caterlink is committed to delivering high-quality, nutritious meals while maintaining stringent food safety standards. They use raw ingredients to create delicious and nutritious meals, prepared and cooked fresh every day by highly skilled teams. Their dedication to sustainability and ethical sourcing further enhances their reputation, making them a preferred choice for our Trust.

Booking Information: Booking for the new catering service will be available over the Easter break. Please note that the booking system will remain through ParentPay.

Special Dietary Requirements: If your child has special dietary needs or food allergies, please complete the Allergy and Intolerance form and return it to the school office by Friday, 28th March, along with supporting medical evidence. This form is required for any child with a food allergy (this does not include lifestyle or religious choices). All information will be treated in confidence and in line with the General Data Protection Regulations.

We are committed to working with all families to ensure a smooth transition. If you have any questions or concerns, or anticipate any difficulties in obtaining the required documentation, please contact the school office.

A full menu and nutritional information will be shared before the new service begins, and we welcome your feedback once the new catering arrangements are in place.

Thank you for your understanding and cooperation.
